Autumn Term 2026 Extra-Curricular Clubs

Dear Parents/Carers,

At Burghfield St. Mary's, our vision is to provide a wide range of sporting and non-sporting opportunities outside the school curriculum for all children, regardless of age, gender, or ability. We strongly encourage parents to get their children to try extra-curricular clubs that are new to them. All the extra-curricular clubs in the Autumn Term 2026 will be run by a combination of school staff members and external providers. Any school staff running extra-curricular clubs are giving their time, after school hours, for free. Payments of school-run extra-curricular clubs by school staff will be used towards the purchase and upkeep of equipment/resources.

Sign-up for extra-curricular clubs operates on a first-come, first-served basis via the MyChildAtSchool app. Once the maximum number of children is reached, no further bookings can be made. Registration for the Autumn Term 2026 will go live on **Thursday 10th September at 7pm** on the MyChildAtSchool app. If spaces remain, you may still sign your child up partway through the term; however, the full cost for all sessions will apply.

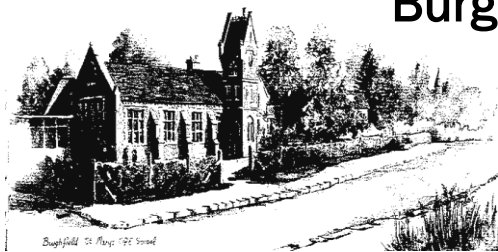

The school will make every effort to have no cancellations of the extra-curricular clubs even if the weather is bad or the lead adult is absent. However, there may be extenuating circumstances where an extra-curricular club is not able to run. Adaptions will be made to the extra-curricular club to suit any alternative location/staff member.

Non-Attendance: It is vital that parents/carers inform the school if your child is not attending an extra-curricular club so that the register for that week can be updated. We cannot safeguard your child without knowing where they are.

Thank you for your patience and continued support as we develop an extra-curricular provision that provides the maximum number of sporting and non-sporting opportunities for all the children at Burghfield St. Mary's CE Primary School.

Yours Sincerely,

Mrs S Clifford

Behaviour

All extra-curricular clubs, run by school staff and external providers, will follow the school's behaviour policy when it comes to consequences of behaviour deemed unacceptable by the adult running the club.

- 1) **Reminder:** Each child is expected to listen carefully and allow the adult to teach and other children to learn. If s/he does not do so, they are reminded of what behaviour is expected.
- 2) **Explanation:** If the child continues to disrupt the extra-curricular club within the same session or over more than one session, s/he will be told that if s/he continues to choose to continue with the (named) unacceptable behaviour then s/he will be moved within the extra-curricular club. The child will either be moved to an area nearer the adult, or sit on his/her own.
- 3) **Removal:** If the child continues to misbehave within the same session or over more than one session, then s/he will be told that they have chosen to continue with the (named) unacceptable behaviour. Their parents will be informed and the child may not be allowed to attend future sessions of the extra-curricular club that the behaviour occurred in. Payment will not be refunded.
