

Jo Lambdon

Co-opted / Chair of Governors / Staffing Committee Chair / DTG

My name is Jo Lambdon and I have been a Governor at Burghfield St Mary's since March 2013 and I have children in Year 1 and 6.

All governors bring different strengths to the governing body and being a HR lecturer my primary strength is Human Resources. As well as being the Chair of Governors I am also Chair of the Staffing Committee.

I take an active involvement in all HR issues at the school ranging from updating staffing policies and procedures through to participating in interviews for new members of staff. In my role I do all I can to support the school.

I strongly believe in the ethos of the school and I want to ensure that we continue to provide a nurturing environment to bring out the best in all of the children. I take my role as a Chair of Governor's very seriously and am constantly updating my knowledge and skills in order to support the school and the Senior Leadership Team and move it forward in the best way I can in order for all children to gain the best possible education and schooling experience.
