Harvest

Thursday 21st October – 10:00 am

Dear Parents

The whole school will be walking to church on Thursday 21st October when our Reception class will be leading our Harvest Assembly. There will be an opportunity for parents to join the service via zoom and a link will be sent out nearer the time.

We will be joining with St Mary's church to support the Churches Together foodbank for needy people in the Burghfield area. This year we are asking for donations of non-perishable items of food and also sanitary items. There is currently a shortage of donations to the Food Bank and your support is needed more than ever to help those in need:

- washing up liquid, deodorant, sanitary items
- tins (fruit, vegetables, soup, tomatoes, meat, rice pudding, custard, sponge puddings)
- pasta sauces
- pasta, rice, instant mashed potato
- tea bags, instant coffee, sugar (500g), UHT milk, long life fruit juice
- jam or marmalade

Your harvest donations are always gratefully received and really do make a difference to those so much less fortunate than ourselves so thank you in advance. Please bring donations to the school office on, or before Thursday 21st October, or take directly to church where there is also a FoodBank collection point.

Yours sincerely

Antony Gallagher
