25th November 2021

Dear Parents,

INFANT NATIVITY DECEMBER 2021 – YEARS 1 & 2

I am pleased to confirm that this year's Infant Nativity for Years 1 & 2 will still go ahead. Unfortunately, parents and families will not be able to come along and watch the nativity at St Mary's Church this year. COVID19 is still very much part of our communities. It would be unwise to organise a school production that enables adults and children to sit in very close proximity for a very long period of time. We have made arrangements to have the nativity recorded and we will produce a recording for all our families to be able to download and enjoy watching at home. If you do not want your child's face to be visible on the recording then please indicate on the reply slip below. Your child will still be involved in the Nativity but will wear a face covering. The recording will be available to families via our school website (on a password protected page).

We are able to use the church to record our nativity, therefore we kindly ask you to bring your child to the church between 8:45 – 9:00 a.m. on **Monday 6th December and Tuesday 7th December**, instead of dropping him/her off at school as usual. The children will be walked back to school following the rehearsal.

On the 7th December please can the children arrive at church in their nativity costume, with their school clothes in a named carrier bag to change into after the recording.

We are sorry that parents and families are not able to join us this year for this very popular event, but we do hope you will all enjoy the recording.

Many thanks

Antony Gallagher
Headteacher
