

Stunning Start- Friday 9th September

The whole school will go on a virtual time travel. We'll need to access the time travelling machine (in the school hall). The time traveller hosts will make sure all children are safely aboard before we start our journey back in time.

We'll be visiting The Stone Age, Ancient Greece, The Victorians, The Egyptians, Ancient Rome, Mughal Empire, World War 2 and The Tudors.

The children will visit each time-zone (class) in their House groups throughout the day. It's a **non-uniform day**, children will need to come to school dressed for their virtual time travel.
