### Farms2Ewe

The Fabulous Finish for this topic will take place on **Thursday 19<sup>th</sup> and Friday 20<sup>th</sup> March**, with **Farms2Ewe** coming into school. They will bring with them a range of larger farm animals as well as smaller animals, and set up a farmyard within the school grounds.

The children will learn about why farmers keep those animals, and will then be given some free time to appreciate the animals, following their learned "farm etiquette" from the farmer. During this time, they will be getting involved with hands on activities and opportunities, such as grooming the miniature Shetland pony, being licked by the calf, and hand feeding the ducklings.

We are sure that you can appreciate what a lovely conclusion this experience will be to end our topic.

To cover the cost of this visit, we are asking for a voluntary contribution of **£6.70 per child** to be made via the **MCAS app**.

**As with all school trips and visits, if insufficient contributions are raised through voluntary contributions then Farms2Ewe may have to be cancelled.**
